Dear Parent

Here we are at the end of another week!

Whilst the weather has been a little unsettled to say the least this week, we hope that you have all managed to get out into the fresh air!

Whilst our plea for news from families working from home has been limited, we would like to thank those who have contacted us.

It was wonderful to hear that a year 3 and reception pupil had been busy commemorating HRM The Queen's birthday recently by making and decorating crown shaped biscuits, together with making jellyfish out of recycled kitchen roll tubes. Please let us know how you get on with applying for the green Blue Peter Badge. The photos are wonderful!

Ms Morgan was also delighted to hear that one of her Year 6 students, who is unable to return to school as he is shielding, has taken up fishing. Whilst we squirmed a little at the thought of having to use maggots as bait, it was fascinating to learn what the sport entailed.

School News

On Wednesday of this week, the whole school came together (socially distanced, of course) to celebrate a special birthday with Mr Patch. Unfortunately, scheduled plans to visit India to mark this occasion have had to be postponed, but India came to Selattyn! Ms Morgan, pupils and staff performed an Indian dance routine they had learned for the occasion, Wendy decorated the hall and Class 3PH with sari's and he was presented with a hamper that contained lots of Indian related items. Happy Birthday Mr Patch!

Secondary School Plea!

A reminder to parents of year 6 students, contact information and other documentation are urgently required by secondary schools. Items to be returned direct to the school concerned!

School Uniform

School Trends are up and running! To ensure delivery for September, orders for the autumn term should be placed as soon as possible. To encourage you to order a little earlier than you normally would, they are reducing their free delivery threshold from £75 to £50. Don't miss out! This offer is only running until midnight on Sunday, 21st June.

A mini muttering from Ms Morgan

Sending all pupils who have been unable to return to school a heartfelt 'hello!' We are missing you all very much and cannot wait until we can all be together again. I know your class teachers are hoping to see you all soon and your class friends talk about you and miss you a lot! Take care and let me know how you are all doing.
